Dear Chris:

The Labor Management Council of N.E. Wisconsin would like to thank you for speaking on *Using your Creativity to Survive and Thrive during Change* at our conference on April 21, 2004. We were delighted to see such a positive turnout and we were glad that you could join us.

Your session was the most positively rated session of the conference to both labor and management!

Please keep in touch with us! We love your motivational mailings.

Sincerely,

Susan M. Schroeder
Executive Director
